

CLine

```
classDiagram
    class CLine
    class GeometryUtility_CLineSegment["GeometryUtility.CLineSegment"]
    GeometryUtility_CLineSegment --|> CLine
```

The diagram illustrates an inheritance relationship. A box labeled 'CLine' is positioned at the top. Below it, a box labeled 'GeometryUtility.CLineSegment' is positioned. A blue arrow points from the 'GeometryUtility.CLineSegment' box up to the 'CLine' box, indicating that 'GeometryUtility.CLineSegment' inherits from 'CLine'.

GeometryUtility.CLineSegment
